Neurocenter of Southern Switzerland

8th Lecture of the Year of the Neurocenter of Southern Switzerland

Dr. Mark Hallett

Supported by: Fondazione Sir John Eccles

Awards for the 2016 best neuroscientific publications

Supported by: Fondazione Neuroscienze Ticino (FNT)

Thursday, 4th May 2017

from 17h00 to 18h40

Università Svizzera Italiana USI, Auditorium
Via Giuseppe Buffi 13, Lugano

With the contribution of

FONDAZIONE SIR JOHN ECCLES

Fondazione
Neuroscienze
Ticino

Dear Madame, Dear Sirs,

On behalf of the organizing committee, we would like to invite to the "Lecture of the year 2017" at our Neurocenter in Lugano, Switzerland

The "Lecture of the Year" has been initiated in 2009 with the support of the "Sir John Eccles foundation" to demonstrate our commitment to excellence. We had the privilege to welcome researchers all over the world who make significant contribution in the field of basic and clinical neurosciences.

The FNT (Fondazione Neuroscience Ticino) was founded in 2012 in Lugano, with the goal to promote the excellence of neuroscience in Ticino and improve patient care in neurological disorders.

This year the NSI is please to honor Dr. Mark Hallet, Chief of the Human Motor Control Section, National Institute of Neurological Disorders and Stroke, National Institutes of Health, Bethesda Maryland, for his outstanding contributions and pioneer work in the area of "human motor system physiology and education of the neurological world community".

The "NSI" in Lugano is the only Neurocenter for the Southern Italian speaking part of Switzerland and regroupes all public Institutions dealing with, Neurology, Neuroimaging, Neurosurgery, Neuroanaesthesia and Pain Center encompassing the whole spectrum of the Neuroscience disciplines in close collaboration with other Swiss and International Universities and Research Institutions

Hoping to welcome you, we send you our best regards,

Prof. Alain Kaelin, MD PhD
Director NSI

Paolo Maino, MD
*Responsible Neuroanaesthesia,
Head Pain Center*

Prof. Michael Reinert, MD
Chairman Neurosurgery

Alessandro Cianfoni, MD
Responsible Neuroradiology

Claudio Städler, MD
Chairman Neurology

Program

- 17h00 **Welcome**
Prof. Alain Kaelin, MD PhD (Director NSI),
Prof. C. L. Bassetti, MD (President FNT and
Eccles Foundation)
- 17h05 **Introduction and Laudatio**
Prof. Alain Kaelin
Movement disorders: past, present and future
- 17h20 **8th Lecture of the Year of the Neurocenter
of Southern Switzerland (Fondazione Sir John
Eccles)**
Dr. Mark Hallet
Pathophysiology of movement disorders in humans
- 18h10 **Introduction**
Prof. Alain Kaelin
Awards ceremony for the 2 best clinical
neuroscience publications of 2016 (Fondazione
Neuroscienze Ticino)
- 18h20 **Presentation of
the publication by the 1st Awarded**
- 18h30 **Presentation of
the publication by the 2nd Awarded**
- 18h40 **Apero**
